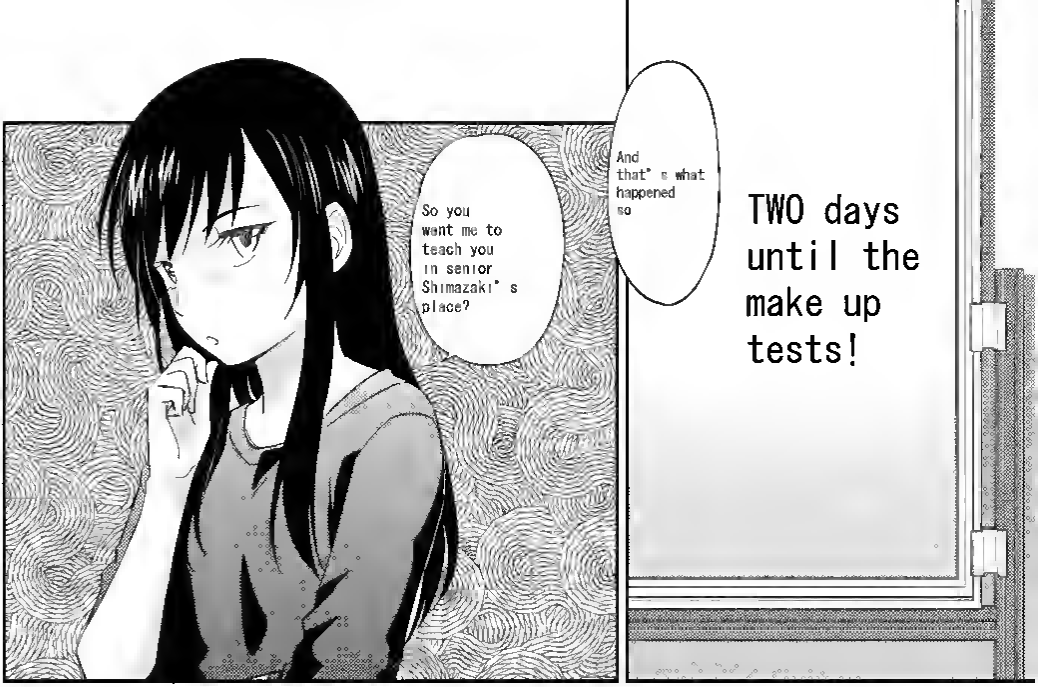
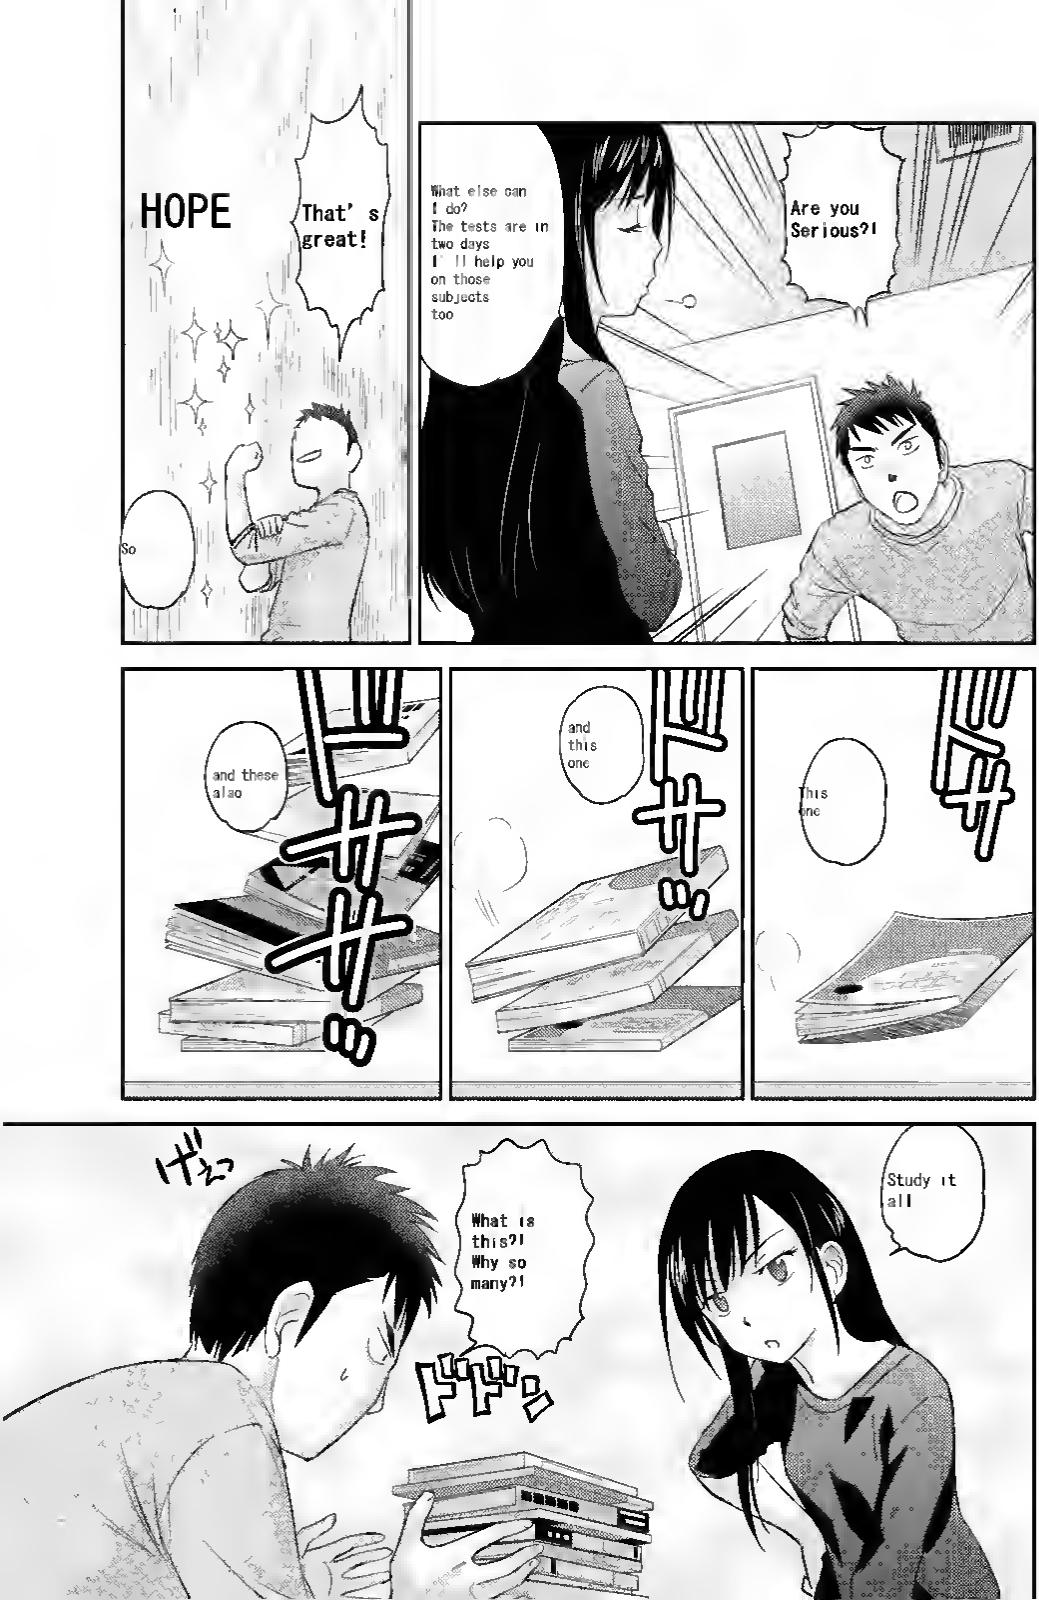
You told me you have make-up tests soon
But I' m in no condition to teach you English and classic literature
I' m sorry
This is bad, I' m in trouble!
It is okay Please don' t force yourself



And that's what happened so
So you want me to teach you in senior Shimazaki's place?
TWO days until the make up tests!

追試まであと2日!!
……
No— I beg of you Ms Okazaki!
Please!
Yes!
Your English and Classic literature are as good as your math right?

All right then
!
So this is it huh?
……



HOPE
That's great!
So
What else can I do? The tests are in two days I'll help you on those subjects too
Are you Serious?!
and these also
and this one
This one
What is this?! Why so many?!
Study it all

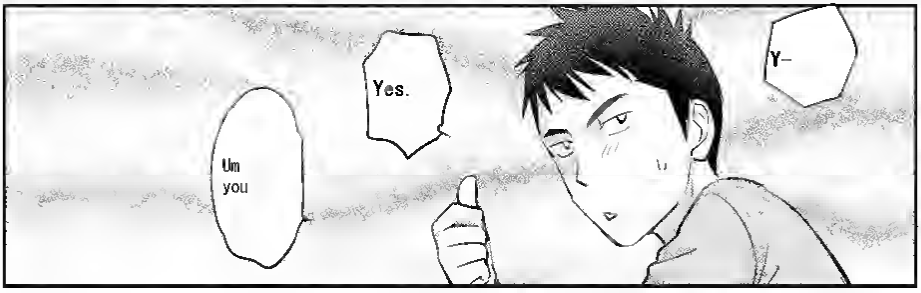
We don't have time!!
Study all of it no complaints!
Y-Yes Ma'am
Why is she more strict with me now?
Huh
Could it be she quiet because the Superintendent was with us?
チラ…
……
She was quiet yesterday And the day before

ボ――――
Sighs
……
Um…
……
Um, it's nothing
What is it?
Did you go to the same middle school as the Superintendent?
Yes, what about it?

!!?
So
you came to this
school because of
senior Shimazaki
It was very
obvious.
----!!
W-Why...
How
...?!
There is
nothing wrong
about it.
Is there
something
wrong
about it?!

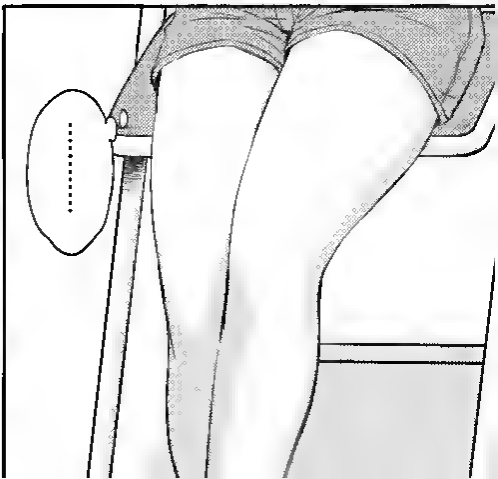
You were chasing Teacher Ousaka?
Yeah!
Midori and I also did it
!
It was miraculous!
Through sheer willpower of wanting to be at Ms Haru's side I made it to this school despite my teachers of my previous school saying it is not possible
I'm the boy who did the impossible!
You love Teacher Ousaka so much yes?
Smile
I have no regret!
But you are here trying to fix your midterm grades

I hope your feelings reach her
ジッ



Y-
Yes.
Um you

You see I



……

I was isolated from the rest of them But it was mostly my fault
I couldn't adapt to my class back in middle school
That is very surprising you having a troubled past!

And the one who saved me was senior Shimazaki.

Gratitude? Or respect?

So my feelings for him
is more than just liking him it's more of

Or, admiration...
So that's how it is?
W-Wait!
What are you making me say?!
That's Enough!
